PROFILE

A **B.Tech student in Artificial Intelligence and Data Science (3rd Year)** from a **Tier 3 college**, with a strong foundation in **Cloud Computing, C++, Python, and Data Visualization, Predictive Analysis(SPSS Modeler)** backed by **IBM certifications**. Have a keen interest in coding.

An **active communicator and leader**, having participated in **debates, anchoring, and team competitions**, demonstrating strong **public speaking and leadership abilities**.

Currently seeking **internship opportunities** to apply technical and analytical skills in a professional environment, contribute to **real-world projects**, and gain hands-on industry experience.

KEY SKILLS

- **Languages:** Java, C++, Python, JavaScript
- **Frameworks & Tools:** React, JSON, HTML, CSS, SQL
- **Libraries:** NumPy, Pandas, TensorFlow, Keras
- **Core Areas:** Data Structures & Algorithms, Machine Learning, Cloud Fundamentals
- **Soft Skills:** Leadership, Team Collaboration, Public Speaking

EDUCATION

- BTECH – CSE(AI-DS) | Arka Jain University CGPA: 8.0+ | (2023-present)
- XII (ISC) | JH TARAPORE SCHOOL 83.5% | 2023
- X (CISCE) | JH TARAPORE SCHOOL 84.5% | 2021

PROJECTS & HACKATHONS

- **AgriChain (SIH 2025):**
Blockchain-based agriculture supply chain platform ensuring transparency, traceability, and trust using smart contracts and QR-based verification.
- **BHUKKAR (Food Recipe App) – React, JSON, API Integration**
Secured **3rd place** at *App Attack & WebWizard Hackathon 2025*.

- **GHUMMAKAR Travel App** – *HTML, CSS, JS, SQL*
- **HackHorizon 2025 (Arka Jain University)**
Ranked **Top 15** out of 100+ teams (500+ participants) for an innovative project.
- **Weather Forecasting App (Python)** – Real-time prediction using APIs.
- **Grocery Shop Management System (C++)** – Menu-driven shop simulator.
- **Calculator (Java, Swing/JavaFX)** – GUI-based calculator.
- **Machine Learning Models (Python)** – Implemented SVM, Decision Tree, Random Forest, and ANN using TensorFlow & Keras.

EXTRA-CURRICULAR & TECH-ENRICHMENT ACTIVITIES

- **Public Speaking & Technical Communication:** Active participant in debates, anchoring, and presentations, enabling clear explanation of technical concepts and effective teamwork.
- **Classical Dance (Kathak):**
 - Graduate of *Prayag Sangeet Samiti, Prayagraj*; currently pursuing **Master's level training**
 - Developed discipline, consistency, stage confidence, and performance under pressure
- **Academic Tutoring (CBSE & ICSE | Classes IX–XII):**
 - Taught Mathematics, Science, and Computer- coding basics related subjects, strengthening analytical thinking and mentoring skills

CERTIFICATIONS, LEADERSHIP & PROJECT EXPERIENCE

- Earned **industry-recognized certifications** from **IBM, NPTEL, and Coursera**, building foundations in programming, data analysis, cloud, and emerging technologies
- **Team Lead – Hackathons & Projects:**
 - Led cross-functional teams, coordinated task distribution, and ensured on-time project delivery
 - Applied problem-solving, debugging, and collaborative development practices
- Actively engaged in **technical events, debates, and competitions**, enhancing communication, leadership, and decision-making skills in high-pressure environments
